

Tentative Michigan Merit Examination Schedule Calendar Years 2007-2010 (Spring and Fall Cycles)

The Michigan Merit Examination (MME) has spring as its primary assessment cycle. The Michigan Department of Education prepared the schedule below in cooperation with ACT, taking into account a variety of issues including ACT national testing dates, religious holy days and statewide high school events. The diversity of school and community needs such as traditional Spring Breaks was also considered although it was not possible to avoid conflicts for all schools. Dates are contingent upon ACT final approval.
